WORSHIP ASSISTANT VOLUNTEERS:

Each month the Worship Assistant calendar can be found in the current **ECHOES** and also on the volunteer bulletin board in the hallway next to the office. The Worship Assistant volunteer team assigns members to help with Sunday worship and special services. We attempt to match you to the service we think you attend, but in some cases we may have guessed wrong, so please help us correct this by contacting us or the church office so we can make the necessary changes for the future. If you have a special job that you really enjoy doing or a job you feel you cannot do, please let us know of your desires. If you wish, you can sign up in advance on the calendars posted on the bulletin board. All spots that are still open by the Echoes deadline are assigned by the volunteer team. We appreciate your help in finding a substitute or calling the office and asking for help if you are not able to do the assignment on the calendar.

THANK YOU for your help and cooperation from your Worship Assistant volunteer team
