John 16:12-15

“I still have many things to say to you, but you cannot bear them now. When the Spirit of truth comes, he will guide you into all the truth; for he will not speak on his own, but will speak whatever he hears, and he will declare to you the things that are to come. He will glorify me, because he will take what is mine and declare it to you. All that the Father has is mine. For this reason I said that he will take what is mine and declare it to you.

The Gospel of the Lord. Praise to you, O Christ.

High School Programs - Good Earth Village

Good Earth Village brings high adventure for busy high-schoolers.

Camper's Choice is a three day program during the mandatory sports break, July 6-8. This program allows young people to create their own adventure, growing their independence. It's a perfect chance for older campers to try some cushy cabins, new foods, and new friends.

Imago Dei Arts camp is all about creating, June 14-17. Flex your artistic muscles and learn some

new skills. Venture Mix is about changing it up with new challenges, July 17-22.

Mountaineers program brings high-schoolers together outdoors, where camping is in tents, July 24-29. Campers won't know much about Mystery Week until they arrive at camp. Prepare to serve, build community, take risks, and reconnect with God. That's all we can say about Mystery Week, July 31 - August 5.

Inning	1	2	3	4	5	Total
Opponents	1	0	0	1	3	5
TIGERS	3	0	3	0	8	14

Christian Leckband played left center field for the first time in his career with the TIGERS and in the third inning caught a deep fly for out number two in the inning. At the plate Christian was batting third reaching base on four of four trips to the plate, three singles.

Anna Gross played left field and second base and in the third inning caught a deep fly ball to end the inning. At the plate Anna reached first in three of three trips to the plate, two singles and a fielders choice.

Izaak Thielke played first base and left field and had an unassisted force out in the first inning at first base. Izaak was called out on an in-field fly rule, flew out to the shortstop and walked. He was able to turn the walk into a score in the final inning.

Alex Douglas played right center field and caught a towering fly in the first inning for the first out of the game. At the plate, Alex grounded out to the pitcher, grounded out to the shortstop (very close play), and hit a long single into right center field. Alex was able to convert the hit into a score.

Emily Eberhart played third base which was not a typical position for her to play. With the bat, Emily grounded out to the pitcher and hit two singles with line-drives into right center field. Emily was able to convert her second single into a score for the TIGERS.

Levi Hanson was the catcher for the entire game and participated in at least one force out at home. At the plate Levi flew out to the pitcher twice and was called out on an in-field fly in the fifth inning.

Lauren Hanson played right field for the TIGERS but never had an opportunity to show her skills in the field. At the plate Lauren walked twice, never being able to advance beyond second base, and gounded out to the pitcher in the fifth inning.

Next game; May 25 at 8 PM at Slatterly Park.
